"Gospels 1" Course Outline

I would like to welcome you to Titus Baptist Seminary. The course you are about to take is called "Gospels 1." It is one of two courses designed to teach the student a survey of the Gospels of Matthew, Mark, Luke, and John. This course will cover the steps one through thirty-five of the His Seventy-two Steps from Glory to Glory covered in the Wilmington's Guide to the Bible

The course will last for 8 weeks. It can be very intense when considering the amount of reading and study time involved. Please keep up and do not get behind. The textbook for the course is "Willmington's Guide to the Bible" by Dr. H.L. Willmington.

Below are the expectations of the course.

- I. All DVDs have to be viewed as assigned. Please refer to assignment spreadsheet. It will tell your weekly DVD viewing assignment
- II. Read the chapters from your textbook as assigned each week.
- III. Read all Bible references given in the textbook as you read the textbook assignments.
- IV. You will write two papers during the course. Each paper must be at least two pages in length. The paper should be in your words concerning one of the topics studied thus far. Remember that this is college work and must reflect that level of quality. Please put serious thought in your papers. They do not have to be typed but must be legible. The papers are due at the end of the course but are expected to be completed according to your assignment sheet. Once you have taken the course, "Homiletics", all papers will be completed in TBS outline format. If you've not taken that course as of yet, don't worry about it.
- V. You will have an open book test at the end of the course. The test will have a two hour time limit. If you keep good notes from each class, you will not have a problem making a good grade.

Remember that all work must be done with a King James Bible. Any work listed from another version will receive a failing grade.

Our prayer at TBS is that you will gain great knowledge from the Word of God and be able to teach and reach others with that knowledge. Please don't hesitate to let us know if you have any problems or suggestions. Please use our site director for any communication to us at TBS.

Praise God for His goodness!!!

Serving in His Will,

Dennis Farr
