2 Timothy 2:2

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

Dear Pastors and Friends,

It has now been a year since I stepped out full time into the ministry to work with Titus Baptist Bible College and Dr. Raymond Sorrells. The experience has been beyond words. Our God has shown Himself mighty and trustworthy through it all. Dr. Sorrells has been a pleasure and honor to work with in this endeavor.

Since May, I have traveled as far north as New York City, as far south as Gulfport, MS, as far west as Los Angeles, CA, and as far east as the Cagayan Province of the Philippines Islands. That is a lot of miles and all for the glory of God. I have preached in two revivals and have had meetings in several other churches in those places. He is keeping me busy.

Campuses in Roanoke and Lagrange

The school in Roanoke is closed for the summer. It will begin classes again in August. I am teaching two courses at the LaGrange campus though. The taping of the courses has to continue to keep up with the demands of the other campuses who operate through the DVDs. Dr. Sorrells is also taping two courses, English I and English II, that will be ready for the new school year.

Other Campuses

A new campus has begun classes at the Stone Regional State Prison in Wiggins, MS. Fifteen students are the first to begin at this campuses with others beginning later. This is in partnership with Bro. Jeff Beck and Sealed Unto Redemption Prison Ministries. A revival was held at this facility to kick this off in June. Thirteen men were saved. To God be the Glory!!!

I traveled to the Cagayan Province of the Philippines Islands and visited with students from two campuses there that were started back in June. The number of students there have increased from the initial eight to twenty-one. Pastor Woody and Pastor Eric introduced me to several other Pastors who have shown an interest in starting a campus at their church. Please pray that this would continue to grow. During the preaching of the Word there, one man surrendered to full time ministry to be used as a Missionary to another island three hours away. His name is Bro. Amin. Please pray for him.

Support

We have one new supporting church and one new supporting individual since our last letter. Thank you Jesus!!! Raising support has not gone as fast as I would like, but God has met every need. I would like to thank every church and individual that has helped us during this past year through financial support or prayer. The Lord has used you in a vital ministry, the training of men and women to serve Him. It would be impossible to do this without the assistance of God's chosen people. Thank you, thank you, thank you!!!

In HIS Service,

Dennis Farr
