2 Timothy 2:2

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

Dear Pastors and Friends,

It is our hope and prayer that everyone had a great Christmas. Joan Ellen's mother passed during ours. Though we felt the sadness that comes with the death of a loved one, we have the joy within knowing that we will see her again. I thank God that He has made provision for us with the payment of His precious blood. To God be the Glory!!! Amen. We want to thank each of you that prayed for us during this time.

In the last tow months, we have visited students in 6 of the 7 prisons where our seminary has been placed as a program. Everything is going well. We are continuing to learn the logistical part of this ministry. There is a need in each facility for a ministry partner whether it be the Chaplain of the facility or a Pastor/Preacher on the outside to assist Titus with the weekly administration of the classes. The ministry has been blessed thus far with partners in each of the 7 prisons. As we continue to pray for more prisons to come on line, the need for partners will also increase. We would appreciate your constant prayer in this area. If you know of a prison in your area that you would like to be involved, I would love to know the name and location of it. We will pray about it and see if God would open the door for us.

Our newest prison, Wheeler Correctional Facility, in Alamo, Georgia has already increased the number of students there from 62 to 84. The students had to move into a new dormitory to accommodate the increase. Along with our weekly TBS classes there, one of our partner pastors, Bro. Danny Zorn, has be given the go-ahead by the facility to start weekly meetings there as well. We thank the Lord for His movement in this facility. I would also like to give another praise. God saved one of the men in our class during one of our visits. Glory to His Name!!!

As we spoke about in our last ministry letter, Pastor Dan Woody Mangligot along with Pastor Eric Pedro, two national pastors from the Philippines, have arrived in the states and have begun to present there work in churches in hope of gaining support for their mission works. Both are now in the state of Louisiana. Their departure date home will be the month of March. Please keep these men of God in your prayers. The satellite schools in Papua New Guinea, India, and Romania continue to send back good reports as well.

God gave me the opportunity to preach in several churches in November and December. The Lord saved a young man during one of those visits. Thank God he is still in the saving business.

We thank God for the supplying of our needs which include our personal support, supplies and postage for students who cannot pay or are in prison and the gas it takes to cover the ministry area (38,000 miles last year). Our outreach student population continues to grow which helps in this area. Two more churches have also begun to send us support this past month. He is Wonderful!!!

Thank you again for your support through prayer and finances. Please let us know if we can help or assist you in any way. You are always on our minds and in our prayers.

Serving in His Will,
