And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

February 28, 2013

Dear Pastors and Friends,

Greetings once again in the Name of our Lord Jesus Christ. I would like to start our letter this month by saying that He is Worthy of all our praise!!! Jesus is the Captain of our ship here at Titus. There is nothing that He does not take care of. There is nothing that He does not care about. He is always in the midst. He is always on the Throne. He is always about His business. He loves us and He shows it everyday. I thank God for the day that He saved me and called me into His wonderful work.

Titus is already getting ready for our yearly graduation exercise the first Saturday of June. More U.S. students are expected to graduate this year than any other year so far. God continues to amaze us with the increase of students who come every year to learn the Word of God. It is our prayer that more will get excited and begin to learn what God has for them in His Word.

We finished 2012 with our Seminary in 7 different prisons. Our prayer this year has been that God would increase that number by 7 for a total of 14. So far, two months into the year, I am pleased to say that God has already opened the door to 2 more facilities, one in Groesbeck, TX and the other in Lexington, MS. Students from the other 7 facilities have moved to these and have convinced the Chaplains there that TBS is a needed program. We at Titus know that this is a direct answer to prayer from the God of this Universe. Praise His Name!!!

Over the last two months, we have visited 6 of the 7 prisons. The students at the facilities are doing well. Hopes are high as they continue to learn the Word of God. I continue to be amazed at the need in those facilities for teachers of the Word. You would think that a prison located in the Bible Belt of America would be overrun with preachers trying to meet the need, but that has not been my experience so far. We are beginning to ask God for partners to join our ministry at Titus to assist in the facilitation of the Seminary in those prisons. God is beginning to show me a great vision for this ministry. It will be possible over the next year to plant a man in south Georgia and keep him busy in a different prison each day of the week. What a ministry! Would you join with us in praying that God would call this man and that he would get in contact with us?

Pastor Dan Woody Manglilot from the Philippines spent 3 months in the states while traveling and presenting his work to churches across the south and west. He is now back in the Philippines with his family and church. Please continue to pray for Bro. Woody as he continues to follow God in the different missions he has been given. Pastor Eric Pedro, also from the Philippines is winding his journey up here in the states and preparing to return to his family and church on March 20th. Bro. Eric also needs your prayers in his mission. Both men give God all the glory for what He has done in their lives and ministries.

I was given the opportunity to preach a Missions Conference at Emmanuel Baptist Church in Lyons, GA during the month of January. What a time we had!!! This is definitely my favorite type of meeting to be in and be a part of. As one preacher put it many years ago, "Missions (worldwide evangelism) is the heartbeat of God." I say "Amen" to that. This world is in need of more churches who will get serious about evangelizing this planet.

God is the Supplier of all our need at Titus. We give Him praise for that supply. Thank you for the part of that supply that He has called you to do. It does not go unnoticed. We appreciate you and pray that God will bless you in all that you do for Him. Please call on us if we can help you in any way.

Serving in His Will,

Bro. Dennis Farr
