Dear Pastors and Friends,

Greetings to all in the Name of our lovely Saviour, the Lord Jesus Christ. He has shown Himself Mighty again and again and again over these past 3 months!!! We love Him and praise Him for His goodness, grace, and mercy.

As many of you may already know, Mrs. Yvonne Sorrells had open heart surgery to replace her heart valve. That was three weeks ago. Since that day she has spent the entire time in the hospital or rehabilitation center. As of the writing of this letter, she is still in the hospital recovering. Please continue to pray for her. She is a true servant of the Almighty. We are very glad that He has chosen to leave her here with us.

We have been back from our mission trip to Papua New Guinea for 3 weeks. Our main mission there was to graduate Morata's Bible College. Four men and women walked the aisle and received their Bachelor's degree. It was an exciting time for Joan Ellen and me. Bro. Holmes Tako and his wife, Priscilla and the Morata Baptist Church were very gracious hosts. While we were there seven different churches invited us in to preach and teach. **God saved 10 precious souls** during these meetings. We are planning to return in June of next year and answer a call of God to start a Bible College in a city called Alotau. There are 20 men and women surrendered there and waiting to go to 200 islands off the coast of Alotau where no churches exist today. This endeavor is worthy of your prayers. Many souls hang in the balance. We must reach them before it is too late.

The prison ministry is also going well. God has given us our 14th prison in Philipsburg, Pa. just as we asked Him to do. DVDs of our courses were sent there before we left for Papua New Guinea. As you know, this is an answered prayer 5 months earlier than requested. **God continued to bless us as He saved 14 men** at one of our facilities in Montgomery, Alabama during Titus night there. This same facility had honored the ministry just a month earlier by naming Titus Baptist Seminary as the "Program of the Year" for 2013 at that facility. What about that! The government has honored God Almighty!!!

A cousin of mine asked me and my brother, Derek Farr, to come see him at the nursing home in Roanoke, Al. When we arrived we learned that he had been told that he was dying of cancer. During his life he had been a drug dealer and one of the worst men you could know. But as we shared the Gospel with him, he began to cry. **God came down as he prayed and Glory filled his soul. He lifted his head after his prayer as a saved born again child of God.** I am always amazed as I see men saved, but it is much more amazing when I see someone I know and love meet the Saviour I know and love. Glory to His Name!!!

We are in our 4th year of videoing our courses at Titus. In May, if all goes as planned, we will have a full 4 year program of courses ready to be viewed by the world through our website or by DVDs. When this was started in 2010, we had no idea what God was up to. It is amazing to look back and see what God has done. Would you mind if I gave you a challenge? Attempt something great for God! Attempt something so large for Him that it would be impossible for you to do on your own. I can testify that He will stand beside you all the way. He wants His children to believe nothing is to large for Him.

God has continued to meet our needs. He has done that by using many of you. Thank You from the bottom of our hearts. You will never know what it means to us this side of Heaven. I am sure He will reward you for all you have done.

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
