Dear Pastors and Friends,

Greetings in the Name of our Lord and Saviour, Jesus Christ. Our year at Titus Baptist Seminary and Titus Ministries International has started with a bang. There are many things to report to you about. First of all, let me say that the Lord is Good!!! He has never left our side!!! He has met every need!!! He is always there every time we call on Him!!! What a wonderful God we serve!!! We had a great year in 2013 and have no doubt that God will continue to do as He has done in 2014.

We would like to thank you for continuing to pray for Mrs. Yvonne. She has resumed some of her duties at the TMI office. It is an absolute blessing to see her at her desk doing the Lord's work. By her own admission, she is not 100% yet, but she is getting close. Her next doctor's office visit is month's away. We thank God Almighty that He has saw fit to leave her here to serve with us. All of the campuses to include the home campus have started back with their studies and are doing well.

I have started visiting the prisons again during the month of January. Two unexpected blessings occurred at the Wheeler facility in Alamo, Ga. While preaching and teaching to the Titus dorm on that visit, I was asked before I left to sit down on a conference call and be interviewed about our Bible Seminary program. The person that interviewed me was appointed by the chief chaplain of the Corrections Corporation of America. The result of the interview will be published in their corporation magazine in their February or March issue. I was told that over 100 prison chaplains will read the article and may want to bring the program to their facility. Please pray that this would happen. I'm not sure how we would facilitate such a great influx of new facilities, but I know the One who does. The other unexpected blessing came from one of the chaplains at the Wheeler facility. He told me that two Moslems in another faith-based dorm had over heard some of the Titus videos and had become very inquisitive about Christianity. **After a few weeks of witness, Chaplain Phillips led both men to the Lord.** They have since been put on a waiting list to enter our dorm and enroll in the Titus program. What a great blessing!!! I thank God that He can and will save anyone who will listen and put their trust in Him.

On our visit to the Forrest City, Arkansas' prisons, Chaplain Johnson gave me the Sunday afternoon service in the Medium facility to preach to his congregation. **Five men were saved that afternoon.** Can you say, Hallelujah? Thank you Jesus for your mercy and grace.

TBS has begun to offer a two-year Associates in Theology degree. This is mainly due to the prison programs that we have started. Many of our students are being paroled or released before they can finish the four-year program. It looks like we will have about 20 students from 3 different facilities that will graduate with this degree this spring. It is an absolute joy to see these men finish what they started. Most everyone of them has said that they will continue to earn the Bachelor in Theology degree while in their facility or at home when they are released.

I have my tickets for my visit to Papua New Guinea in June and July of this year. I will be going to a city called Alotau to set up a Bible Seminary for men and women who have surrendered to the ministry of reaching about 200 islands of the shore of their city. While I am there, I will be one of the speakers at a Bible Conference hosted in Port Moresby. Bro. Holmes Tako will be my host. I am looking forward to seeing what God has in store for us there.

We do love the Lord Jesus Christ. It is our mission to please Him with our lives. Please pray that God will continue to use us whenever and wherever He wants and that we will be willing.

Serving in His Will,

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
