2 Timothy 2:2
And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

April 14, 2014

Dear Pastors and Friends,

Greetings to all in the Name of our Lord and Saviour, Jesus Christ. I am so glad when He is all I have, He is all I need. Four years ago we began a fantastic journey with our Lord to do whatever He said and go wherever He led. One of the missions that He gave us in the beginning comes to a conclusion in four weeks. Four years of Bible College courses, forty-two to be exact, has been videoed, edited, and made ready for students across the world. As we end this mission, we thank God for all He has done and make ready for the next one.

As we began this journey four years ago, Dr. Sorrells allowed us to use Titus Ministries International as a platform and springboard to get us started. The Lord has grown our ministry very much and very fast during this time. We now find ourselves in a difficult position. After much prayer, Dr. Sorrells believes it best that we separate the two ministries. Logically and logically it makes great sense. We yield ourselves to one very simple rule. When God opens a door, walk through it, when He shuts a door, keep pressing on and find the next open door.

Philippians 3:14 I press toward the mark for the prize of the high calling of God in Christ Jesus.

So, Titus Baptist Seminary will now come under the direct authority of Faith Baptist Church in LaGrange, Georgia pastored by Bro. Donald Yancey where my wife and I serve as members. Other than a change in our mailing address, all else will remain the same.

It is our plan to ramp up the T.B.S. classes at Faith Baptist Church in the fall. For the last four years we have administered two classes per week while we videoed and edited them. That will be increased by two for a total of four classes per week in the future. This should not be as big a task as you might think due to the fact that all the courses are ready to be viewed. Thank God for technology!!! It is being used to further His kingdom

Our vision of planting Bible colleges in churches, prisons, and assisting American missionaries disciple their converts across the world continues and grows stronger. Two new prisons are on the horizon at T.B.S. with more hopefully to come. If you know of a missionary who could use our help, please have them contact me. It would be our pleasure to assist in any way we can.

Since our last letter, we have visited four of our prison facilities. Three of them grow closer to graduation exercises that will be held in May and June. Much is being done in preparation for that. My brother and supporting pastor, Pastor Derek Farr, Heritage Baptist Church in Roanoke, Al. traveled with me to the Wheeler Correctional Prison in Alamo, GA. where we preached and saw the **Lord save two atheists.**

I told you in our last newsletter about an interview with the CCA prison magazine. That interview has been published and a copy of it has been included with this letter. Please pray that God would touch the hearts of chaplains across America about having us assist them in a Bible college program at their facility.

God continues to meet our need and we thank Him for it. Thank you as our supporters. God uses you to make all of this possible. Please let us know if we can ever be of service to you or your church.

Serving in His Will,

Bro. Dennis Farr
